Why do you dream? What effects do dreams have on your waking life? How can you interpret their meaning? First published 25 years ago, Russ Parker's *Healing Dreams* established itself as a bestseller. The author's extensive experience as a Christian dream counsellor is reassuringly evident in the engaging and often moving text. Russ draws on a wide variety of his own and others' dreams to reveal how dreams can lead us closer to God, to a deeper awareness of his will in our day-to-day lives, and to greater self-understanding.
