Just released with NEW Content! Imagine living the life you've always dreamed about--the career, the relationship, and even simply that vacation you keep putting off. In *Making Your Dreams Come True*, Marcia Wieder teaches you a concrete formula to overcome whatever is standing between you and your dream--mostly your own self-limiting beliefs--and to rediscover the passion that may have been hidden for years.

As a dream coach and entrepreneur, Marcia Wieder knows what she's talking about. In 1993, she left her successful East Coast media business and moved to San Francisco, the city of her dreams. Six years later, with a thriving international business as a motivational speaker, she's a shining example of what is possible when you follow that inner passion.

With Marcia as your personal coach, you too will learn step-by-step how to define and manifest your dreams. But according to Marcia, you must first examine your attitudes and beliefs to see whether or not they empower or impede you. Learning how to get your own beliefs on your side is just one of the specific strategies of her plan. Throughout the book, Marcia also provides a wealth of helpful advice--from how to look at your life from a genuinely fresh perspective to designing an environment both physically and emotionally that will support your dream. You will also discover the "Passion Pyramid," a useful tool that reveals how passion helps you accomplish your dreams more quickly.

Filled with stories of real people, practical exercises, and a personal workbook for you, *Making Your Dreams Come True* delivers on its promise: When you've finished, you will know how to make your dreams come true--any time you choose.
