It is said that the exotic city of Shelzar can provide any vice, and that anything can be bought there if one has the gold. Venture to the most wicked and decadent city of Ghelspad, learn its secrets and partake of its pleasures - but never let your guard down, for death comes as quickly as delight in Shelzar's smoke-filled chambers and shadowed alleys.

Continuing in the footsteps of Mithril: City of the Golem, Hollowfaust: City of Necromancers and Burok Torn: City Under Siege, this sourcebook provides a detailed look inside yet another fascinating locale in the Scarred Lands. This city sourcebook may also be used with any fantasy campaign.
