This handbook makes a great gift for a newly ordained Minister of the Gospel or Seminary Graduate! This handbook has been designed to assist the Pastor or Minister of the Gospel in performing Marriage Ceremonies. The easy "step-by-step" format is simple to follow and has spaces provided to insert the names of the Bride and Groom. The three main ceremonies are included in this handbook: 1. The Traditional Wedding Ceremony which incorporates scripture reading and charges to the bride, the groom, the witnesses in the wedding party and also the audience. The author has been using this system extensively for over 20 years and has never failed to get several compliments on the ceremony. 2. The Civil Ceremony. This is a short, easy and quick wedding ceremony. It is often performed at City Hall, but be used anywhere. The author has even used in a local jail where an inmate and his fiancé were married! It "mentions" God, but not to the extent of the other two types of ceremonies. 3. The "Episcopalian" Ceremony. This is a longer ceremony (very rarely used by the author) and incorporates the taking of communion as well as all the other elements of the Traditional Ceremony. This handbook is a compilation of many different marriage manuals the author has used for over 20 years of performing marriage ceremonies. Taking "the best" sections from various manuals and combining them into one, "easy to use" handbook and written in a "Step-by-Step" format allows the user to immediately take this Handbook and perform marriage ceremonies like they have been doing it for years!
