The Orbs of Lycheeia: A Rumalth and Sonia Novella Mr Colin G. Harding

Not understanding that a balance between science and magic was essential to maintain his way of life, man chose to follow the ways of science. Life was a feudal existence and the age of magic had been reduced to a legend. With science still in its infancy and the legacy granted a millennium ago by the Monarch Dragons now beginning to fail, the situation was becoming dire for both realms. Halthmur the Grey Guardian had been maintaining the balance, but would not live beyond the spring solstice. Without him the boundaries would fall. The Orbs of reawakening, entrusted to Queen Lycheeia, the last human ally of the Monarch Dragons, now needed to be returned to Halthmur. Rumalth had been entrusted with this crucial task, to be completed before the looming spring solstice, in order to maintain the balance between the two realms. If he was successful humanity would remain blissfully unaware of the existence of the magical realm, allowing both to live in relative peace, in ignorance of the other. However, Luthieera, an evil sorceress, had plans of her own that could jeopardize everything.
