The Perfect Leader Ken Boa

Ken Boa hits the mark. You don't have to look very far today to come across "popular" ideas of leadership that try hard to mimic biblical principles. The problem is that's all they do... mimic. Boa propels leadership a giant step forward with the revelation of the ultimate Christian leadership model.

Boa rejects the compromises found in much of today's teaching that force-fit secular standards into a biblical mold—ideas that hover around humanistic ideas of fairness, kindness, and basic morality. Instead, Boa challenges leaders to do a serious evaluation of their approach and to follow the leadership qualities exhibited by God in his Word.
