## **The Journey** Jennifer K Ensley

From the shadowy machinations of JK Ensley's Netherworlds, author of the epic A Dance with Destiny series, comes another ethereal piece of her masterful puzzle... A magically tragic destiny awaits Jem. Her fate as a Witness hangs in the balance. Should she listen to her true love from a former life... or cast her lot in with the persuasive fallen Angel? Her past collides with her future, giving her the faintest glimpse of what lies beyond... When the veil between worlds is pushed back—at dusk, just after the sun hides but the sky has not yet darkened—the corporeal and spiritual realms blend but for a heartbeat, then are separate once more. There is no room for pride or error. Pride is a destroyer of souls, weak and strong alike. Humility and reason are what she needs most. For Jem knows at least this... Your deeds follow you, long after your soul has left this realm. Still, the Angel beckons... “Bring your world down into my desolate chambers, and I will gift you with knowledge not found in any book.”
