Tim Walker Pictures (Alternative edition)

This is an alternative edition - slightly reduced in trim size but absolutely unabridged - of the 2008 classic, now out of print. This stunning new edition offers us a privileged glimpse into Walker's artistic process. It is a comprehensive overview that features a wide array of sketches, contact sheets, Polaroids, and source materials normally hidden within the photographer's studio. The evocative images are rich with textured nuance and intriguing details. Walker gives full reign to his playful side and intersperses collages among the photographs.
