Young learners learn best when activities last five to ten minutes, before they drift off-task. The *10 Minutes a Day* series takes this research to heart, providing quick math exercises for children — perfect for those time-to-fill moments at home, and based on one of the best and most effective learning strategies: little and often. Each book includes a ten-minute timer, beat the clock exercises, and easily photocopied pages, as well as tips, guidance, and answers for parents.

In order to align with the Common Core State Standards, in *10 Minutes a Day: Math Kindergarten* children can practice addition and subtraction, analyze, compare, and create shapes, count the number of objects in a category and more to build math skills.
