Concordance of the Aquarian Gospel of Jesus the Christ Rev Ellen Wallace Douglas

The Introduction to Strong's Concordance to the Bible states, "For more than a century, Bible readers have relied on Strong's Concordance to the Bible to guide them to any passage in the King James Version. It is perhaps the most useful Bible concordance ever published; ministers and laymen depend on it as the standard reference book for biblical study." The Introduction to A Course in Miracles states, "Simply stated, the purpose of this Concordance is to provide students with a handy, single-volume reference work that will enable them to locate quickly and easily a statement in A Course in Miracles by looking up any key word of that passage." Although The Aquarian Gospel of Jesus the Christ does not enjoy the popularity that the Bible and the course command, it is my belief future generations will appreciate the truths set forth in the Aquarian Gospel. With that appreciation, there will be a desire to search the various words and phrases contained in it. That is the purpose of this work.
