Following DK's large, hardcover format *Hide and Seek* books, comes the new *Little Hide and Seek* series: smaller (and more sparkly!) board books in the "I-spy" series. These sturdy books are perfect for preschoolers to hold, and an engaging character is hiding somewhere on every spread, ready to help toddlers along. Each book also features a special surprise at the end: a big pop-out page with an amazing, extra-challenging hide-and-seek scene to pore over.

With so much to look at and talk about, these books offer hours of "I-spy" fun. The hide-and-seek activity is perfect for developing language skills and picture-and-word association, as well as practicing children's recognition of color and shape, and encouraging counting and number skills.
