Mad Dog (Starlight Animal Rescue) Dandi Daley Mackall

A new series by Dandi Daley Mackall, author of the best-selling Winnie the Horse Gentler series!

If the world had any idea how mad I, Wesley “Mad Dog” Williams, am at it, the sun would be too scared to show its ugly face around here.

Meet 14-year-old Wes Williams, aka Mad Dog. He's from Chicago and looking to return just as soon as his mother gets out of rehab. In the meantime, he's stuck at Starlight Animal Rescue, where his only friend is his dog, Rex. As Wes schemes to get his old life back, will Rex and the other shelter dogs be able to rescue him . . . before his anger makes him go too far?

Starlight Animal Rescue: Where problem horses are trained and loved, where abandoned dogs become heroes, where stray cats become loyal companions. And where people with nowhere to fit in find a place to belong.

Is it you actually who having spare time then spend it whole day simply by watching television programs or just lying on the bed? Do you need something totally new? This Mad Dog (Starlight Animal Rescue) can be the response, oh how comes? The new book you know. You are thus out of date, spending your extra time by reading in this brand new era is common not a geek activity. So what these guides have than the others?

Faye Springer:

As a college student exactly feel bored in order to reading. If their teacher requested them to go to the library or to make summary for some guide, they are complained. Just little students that has reading's heart and soul or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading critically. Any students feel that looking at is not important, boring as well as can't see colorful images on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this Mad Dog (Starlight Animal Rescue) can make you experience more interested to read.
