Modern Guns: Identification & Values Russell C. Quertermous, Steve Quertermous

For over 22 years, Modern Guns has been the standard reference for gun dealers, hunters, sportsmen, and firearms enthusiasts all across the United States. This popular guide contains model name, gauge or caliber, action, finish on stock and forearm, barrel, cylinder or magazine, sights, weight and length, and comments. The updated edition features current market values for over 2,500 models of rifles, shotguns, and handguns, with over 1,800 illustrations. Loaded with information on guns from 1900 to the present, values are given for very good and excellent condition guns as well as suggested retail prices for guns still in production.

REVIEW: This large, softbound volume is one of the best of its type on the market today. Well illustrated, and with only two estimated values - for excellent and very good condition arms - the reader has at least a ballpark idea of what a rifle, shotgun, or handgun is worth. Collectors, dealers, and arms students in general should find this book a worthwhile investment and useful reference.

Loretta Pena:

As a university student exactly feel bored to reading. If their teacher asked them to go to the library in order to make summary for some book, they are complained. Just tiny students that has reading's heart and soul or real their pastime. They just do what the instructor want, like asked to the library. They go to presently there but nothing reading critically. Any students feel that reading is not important, boring along with can't see colorful pictures on there. Yeah, it is being complicated. Book is very important for you. As we know that on this era, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country.

So , this Modern Guns: Identification & Values can make you sense more interested to read.
