My Teacher is an Alien: A Short Story Tessie Schoff

This story is dedicated to my wonderful coworkers and students. (It's a short story, so you'll be done soon.) As I finish grading this year's English Regents, I'm proud and disappointed. I always look forward to the references of stories outside of curriculum, of essays filled with information from books I haven't read or tales that weren't assigned. I love to read, and I hope that my students will read something they love too. While I was grading, I had the funny idea of a teacher who'd been abducted by aliens and hence forward her classes were no longer fun or interesting. So this is my little short story, and I hope that you'll enjoy it and remember than anything you love to read is the best story for you.
