Theological interpretation of the Bible is key to the health and vitality as well as the belief and practice of the church. Just how it is done has been the subject of much discussion and debate over the centuries. In *Reading Scripture with the Church*, four leading biblical scholars make the case for theological interpretation. Each author is given the opportunity to interact with the other three, and all four interact with premodern, modern, and postmodern approaches to biblical interpretation. This is an important book for pastors, teachers, and other serious students of the Bible who will be motivated to embrace the task of interpreting the Bible with greater energy, caution, and precision.
