**Everything society tells us about attracting women is completely wrong. *Think and Get Laid* changes that.**

*Think and Get Laid* gets to the **very core of instinctive attraction**, past all the misleading fluff that society and the mainstream media tell us.

Broken down into simple components, filled with clear examples, and backed up by countless studies, *Think and Get Laid* will guide you out of the false beliefs hurting your success with women and show you what women are **biologically wired to find attractive**.

Men today lack success with women because they simply do not know or understand what women are attracted to.

Unlike conventional dating advice, *Think and Get Laid* focuses on **natural attraction** and what causes attraction on an **instinctive level**. Not on what women claim they want (“I just want a *nice guy!*”) or what males in general believe women want (“Women only want men with money and cars!”).

The focus on natural attraction means that **what you learn works on all women in all situations**, no matter age, nationality or the type of relationship you want. What you learn in *Think and Get Laid* is universal.

Women don't choose to feel attraction. **Attraction is not a choice**, and *Think and Get Laid* reveals what all women are **naturally hardwired** to respond to.

The **keys essential to unlocking female attraction** revealed in this book are so universal that they'll work amazingly whether you want an impressive string of one night stands, true love, abundant casual sex without commitment, or just a sexy girlfriend.
