America's Conduct: Inner City Escort Larry Davis

Part family history, part memoir and part cultural history, America's Conduct: Inner City Escort provides a first person look at the lure, the promise and the betrayal of Los Angeles inner city gang life in the late 20th century. Larry Davis shares his journey as a testament to the deep human need for dignity and belonging, as a cautionary tale for today's inner city youth, and as profound proof of the power of the human spirit.
