## Comeback (Athena Force) Doranna Durgin

Her intervention in a hostage crisis had made her an instant hero. But Selena Shaw Jones still had nightmares. Now the CIA had approached her for another do-or-die mission — to locate a terrorist informant and his case officer, who were missing in the same Middle Eastern hot spot. Selena *had* to put aside her self-doubts — because the missing ex-terrorist had crucial intel about a strike against America...and the case officer in question was her husband, Cole. With the clock ticking and her know-it-all new partner questioning her competence, could Selena track her wily husband and control this runaway mission while facing her deadliest enemy — herself?

Athena Force: Chosen for their talents. Trained to be the best. Expected to change the world.
