## **Dangerous Ground** Josh Lanyon

Special Agents for the Department of Diplomatic Security, Taylor MacAllister and Will Brandt have been partners and best friends for three years, but everything changed the night Taylor admitted the truth about his feelings for Will. But it's complicated...

Taylor agreed to a camping trip in the High Sierras -- despite the fact that he hates camping -- because Will wants a chance to save their partnership. But the trip is a disaster from the first, and things rapidly go from bad to worse when they find a crashed plane and a couple of million dollars in stolen money.

With a trio of murderous robbers trailing them, Will and Taylor are on dangerous ground, fighting for their partnership...and their lives.

Followed by Old Poison.
