Nothing but the Puka Shell Necklace: A Public Sex Erotica Story Angela Ward

I was out of town and wanted to unwind, so it was natural that I gravitated to the beach party, but boy was it a different kind of party! Before I really knew what was happening, I was naked and right in the midst of a college student orgy! I'd never done anything like that before, but once it started...well, let's just say I wasn't really interested in letting it stop!

Warning: This ebook contains very explicit descriptions of sex in public and includes group sex and double team sex. Only mature readers who won't find that offensive should read this story.

Here is a preview:

I'd never kissed a girl, at least not like that, but what made me reconsider my bartering skills was that when she broke the kiss and walked away, she had my bikini top with her! She smiled and winked at me as she walked away, and I guess it was silly that the very first thing I did was look at the other girls who were topless to see if they had puka shells on. I turned my head and immediately came face to face with a tall and muscular guy who wore just a swimsuit. He put his hands on the small of my back and pulled me close to dance with him.

You have to understand that all of this happened in no time at all. I didn't even have time to let shock turn into embarrassment because while we danced, he kissed me, and when a handsome guy is letting his tongue explore your mouth, you kind of lose sight of anything else. When he broke the kiss, I noticed other girls were making out with other guys, and then someone spun me around and it was another guy kissing me. This time, while he kissed me, I felt hands on my ass and then felt the cool air over me. My bikini bottoms had gone the way of my bikini top. I was naked in front of a group of strangers and terror hit me when I realized that I hadn't once asked any of them to stop and it was clear from how everyone was behaving and how the other girls were behaving that this wasn't going to end at kissing. Still, even when the guy pulled away, leaving me breathless and trying to wrap my head around what was going on, I didn't protest. Instead, I thought about that string of shells around my neck and how it was the only thing I had on. Then, I thought of something else entirely because I was kissed again, and this was an entirely new guy.
