**Riding the Pause (The Southerlands Book 4)** Evelyn Adams

From New York Times bestselling author,

Rachel Southerland's life runs on a tight schedule. She's never met a variable she couldn't control and likes it that way. But when a job loss threatens her orderly world and her identity, she sets off on the Appalachian Trail to find peace in the Blue Ridge Mountains.

Ian Maxwell hasn't worn a watch for years, waking with the sun and working all day in the forest he loves. On the surface his life seems unambitious, but still waters run deep, and Ian has secrets of his own.

When a chance meeting in the quiet shadow of the mountains throws them together, Ian tries to hold on to his calm and help Rachel find hers. But she hits his life like a hurricane, sending waves barreling through his peace. Can they work together to find something richer than either of them imagined or will what they thought they wanted keep them from seeing the love standing right in front of them?
