Fifteen years ago, Zeely Wilkins and Ron Jenkins were students the school district stopped believing in. Lucky for them, their teacher knew something the principal didn't; they were cream of the crop but they just hadn't sprouted the way people expected.

Though they went their separate ways, the past is calling them back to the school and the teacher who wouldn't give up on them. Now they'll have to decide what love really means--and whether they're willing to dance to a new tune to get it. But can they rediscover the songs of deliverance that once brought them together? Or will secrets keep them apart?
