With survival rates increasing for persons sustaining head injuries, and the number of TBI programs exceeding 1000 nationwide, the need for access to information is more important than ever. This publication presents a compendium of bibliographic information available worldwide on head injury through 1990.

The TBI Annual Research Index is divided into three major sections: Post-Acute, Acute, and Books/Bibliographies. Presents in 33 chapters, information is compiled from worldwide sources (e.g., print, computerized data bases, and publishers) and more than 1,500 entries on traumatic brain injury are included.
