This publication is a rapid action revision (RAR). This RAR is effective 1 February 2013. The portions affected by this RAR are listed in the summary of change. This regulation governs eligibility criteria, policies, and procedures for enlistment and processing of persons into the Regular Army, the Army Reserve, and Army National Guard for enlistment on or after the effective date of this regulation. It also prescribes the appointment, reassignment, management, and mobilization of Reserve Officers' Training Corps cadets under the Simultaneous Membership Program. This regulation applies to the Active Army, the Army National Guard/Army National Guard of the United States, and the U.S. Army Reserve, unless otherwise stated. It also applies to Department of the Army civilians involved in recruitment activities or Reserve Officers' Training Corps/Simultaneous Membership Program management functions. Also, in case of conflict between this and other regulations establishing enlistment eligibility criteria, this regulation will take precedence and upon direction of the Secretary of the Army, certain requirements of this regulation will not be enforced during mobilization. The proponent of this regulation is the Deputy Chief of Staff, G-1. The proponent has the authority to approve exceptions or waivers to this regulation that are consistent with controlling law and regulations. The proponent may delegate this approval authority, in writing, to a division chief within the proponent agency or its direct reporting unit or field operating agency, in the grade of colonel or the civilian equivalent. Activities may request a waiver to this regulation by providing justification that includes a full analysis of the expected benefits and must include formal review by the activity's senior legal officer. All waiver requests will be endorsed by the commander or senior leader of the requesting activity and forwarded through their higher headquarters to the policy proponent. Refer to AR 25-30 for specific guidance.
