Isis Orb (The Xanth Novels) Piers Anthony

A quest to fulfill a lifelong wish turns into an adventure rife with magical creatures and arduous tasks—and puns, of course—when *New York Times*–bestselling author Piers Anthony revisits the enchanted land of Xanth

In Xanth, everyone has a talent. But that doesn't mean everyone *loves* his talent, and no one understands that better than Hapless. Endowed with the ability to conjure any instrument he wants, Hapless could be an extraordinary musician if only he could play a tune that didn't fall ear-piercingly flat. His one desire is to find an instrument he *can* play—and maybe a girlfriend or three. But like music, women have never been his forte.

When the Good Magician hears about Hapless's desperate desire, he sends the young man on a quest to find the elusive Isis Orb, a magical talisman that could fulfill his wish. But the mysterious Egyptian goddess for whom the orb is named guards the enchanted object and won't let anyone see it—let alone use it.

Setting out to achieve the impossible, Hapless meets an eclectic mix of creatures that join him on his journey. Like the musically challenged Hapless, they all have wishes they hope the Isis Orb will grant. But the only way they can control the orb is to capture the five totems from the regions of Xanth: Fire, Earth, Air, Water, and the Void. Together, this motley crew will heroically fight dragons, a six-headed griffin, and even a beautiful, seductive water gorgon who tries to rain on Hapless's parade.

With its thrilling exploits and endless humor, the newest addition to Piers Anthony's beloved Xanth series is sure to keep readers enthralled.

Isis Orb is the 40th book in the Xanth series, but you may enjoy reading the series in any order.

Do you want to try this extraordinary spending spare time activity?

Francisco Garcia:

As a college student exactly feel bored in order to reading. If their teacher expected them to go to the library or make summary for some publication, they are complained. Just little students that has reading's heart and soul or real their leisure activity. They just do what the teacher want, like asked to the library. They go to right now there but nothing reading seriously. Any students feel that reading through is not important, boring and also can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this age, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Isis Orb (The Xanth Novels) can make you truly feel more interested to read.
