Kissing In Cars (Kiss & Make Up) (Volume 1) Sara Ney

Authors Note: This novel, along with all others in this series, is a standalone with no cliffhanger. *You're welcome.*

WILL SHE, OR WON'T SHE...

Studious and (mostly) sensible, the only thing Molly Wakefield wants to do is get through Senior Year and graduate. Well, that and hit the beach in her spare time. Okay, fine - and go shopping every once in a while for a new dress... (and who could blame her?)

And things are going according to plan - until the day she spies Weston McGrath, handsome star athlete and scholar, spying on her in study hall.

A tad creepy? Maybe.

Thrilling? Absolutely.

Despite her best efforts to avoid it (because let's face it - the guy isn't exactly "boyfriend material") Molly and Weston form a friendship. And more. Sort of. But it's a friendship that comes with a price - because Weston just cannot seem to stop screwing things up. Or saying all the wrong things. And who has time for an 18 year old "fixer-upper" that should know better? Not Molly. *Or does she?*

NOTE -- In this novel, sparks fly... and by sparks, I mean some serious chemistry. That's why this story is intended for those readers 17+ and over. Contains: Swearing, foul language, cursing, innuendo, and sexual content.
