Mexico lo que todo ciudadano quisiera (no) saber de su patria Jorge Volpi

Description in Spanish: En México. Lo que todo ciudadano quisiera (no) saber de su patria Denise Dresser y Jorge Volpi presentan una nueva versión del libro de texto de historia para llevar al lector a revisar, de forma lúdica y crítica, los hechos que han dado forma a este país. La suya es una propuesta llena de humor, sarcasmo e ironía, que deja las formas establecidas en “la historia oficial” para hacer un recorrido ameno desde el México precolombino hasta el del siglo XXI. En ésta obra contrastan los datos conocidos por todos desde los primeros años de la educación básica, con la realidad que los mexicanos vivimos cada día, misma que, desde lo político, está llena de intrigas, golpes bajos, corrupción, fraude y traiciones, al más puro estilo de la mafia siciliana. Cada página refuta, cuestiona e invita a la reflexión siempre utilizando como detonante el sentido del humor. Con este libro será posible aprender, divertirse, cuestionar y reflexionar en torno a lo que los mexicanos esperamos para 2006, con los escenarios posibles que ofrecen partidos y candidatos.
