Screenplay storyline:

THE BITCH-PROOF SUIT is a romantic comedy screenplay set in Dublin and New York.

The story begins in Manhattan. Blue (Bluebell) Byrne works for a marketing company and she is sent on a coolhunting assignment to find out the latest fashion trends in Dublin.

While in Dublin, she has to deal with her feelings for Morgan Daire, the man she once loved, the man who broke her heart six years ago. She also has to deal with the shenanigans of Dublin fashion designer, Murphy, and her Manhattan colleague Verde Valmont and her assistant Emer.

Blue has designed a suit that she calls a bitch-proof suit, that helps deflect criticism from bitchy comments due to its classic but unique design. She wears the suit when she needs to deal with jealousy and rivalry. She wears the suit in Dublin, but can it protect her from the ex love of her life, Morgan, and the attention from the sexy and handsome Sears Pearson. Sears is a New York coolhunter who also knows Blue from the past. Which one of these men, if any, will she become involved with?

This screenplay is filled with romance, humour, and scandalous behaviour from the cast of characters in this modern romantic comedy.
