The Occult Significance of Forgiveness Sergey Prokofiev, Sergei O. Prokofieff

Prokofieff shows how, in our personal and moral lives, the forces that lead to forgiveness can be consciously and freely developed. Rather than moralizing, he presents spiritual facts that speak for themselves. From Czarist Russia to the concentration camps of Nazi Germany, the author gives striking examples of people who have been able to forgive terrible crimes. His rich analysis delves beneath the immediately perceptible, revealing the esoteric significance of every single act of true forgiveness. This newly revised edition includes new material by the author.
