The Road To Reality: Voted off the Island!...My Journey as a Real-Life Survivor Dianne Burnett

Get ready to laugh. Get ready to cry. Get ready for a whirlwind of an adventure. Settle in for a powerful, poignant story of inner strength and courage-and get a fascinating, behind-the-scenes look at the making of *Survivor*, the world's most popular reality show.

Spinning their mutual love of exotic adventure into gold, Dianne Burnett and her former husband, TV producer Mark Burnett, co-created *Eco-Challenge*, an expedition-length racing event televised on Discovery Channel that catapulted them into the arena of reality TV and set the stage for *Survivor*-a modern-day *Robinson Crusoe* with a million-dollar prize. But Dianne and Mark's fairytale marriage did not survive their Hollywood success . . . she found herself left behind, her contributions unrecognized. She lost her partner in life and began to lose her identity. In that experience, she found an opportunity to grow.

A fascinating, fast-paced, heart-warming "page-turner," *The Road to Reality* takes readers on a roller-coaster ride-complete with a zesty romance, as well as the ups and downs of going for your dreams-while it imparts the lessons learned as Dianne discovers what really matters in life is something beyond fortune and fame.
