The True North Log Home Planbook (Breathtaking Log Homes and Floor Plans, Volume 2) True North Log Homes

Whether it's a rustic retreat or a distinctive family home, we know that you have a passion for the ambiance and lifestyle that can only be created with a log home. We also know you are looking for the peace of mind that comes from owning a log home that truly meets the ultimate standard in technology and craftsmanship. We believe in the tradition of the log home lifestyle and more importantly we believe in providing our customers with a log home that has all the expected ambiance and beauty of a traditional log home, but also completely integrated with the most technologically advanced features available today. My family takes great pride in our innovative spirit which is reflected in the 14 (soon to be 17) exclusive True North Canadian and U.S. patents, which we hold. Against this backdrop we are prepared to prove beyond a doubt that we provide the best engineered log home in the world. At True North we care about you and your expectations. Our best customer is an educated customer. In the planbook pages I am sure you will find some answers which will help you realize your dream - the dream of living in a log home of your own... a log home we trust will be a True North log home. We chose the saying "Life is not measured by the number of breaths you take, but by the moments that take your breath away" to stimulate our customers' imaginations and express the essence of True North Log Homes. The new plan book pages demonstrate True North's commitment to bringing precious moments to each of our customers. We are sure you will enjoy our new log home plan book and hope that you find a dream home that truly takes your breath away! Buy this amazing log home plan book online today!
