Wha-cked (Tucker Cherokee Novels) (Volume 4) Jed O'Dea

A Deputy White House Counsel is found dead. His death is ruled a suicide. Twenty years later, the love of Tank Alvarez's life is kidnapped. The ransom: "Investigate and disclose the awful truth about the death of the White House Counsel." The former First Lady becomes a suspect. Secrets are hard to keep in the incestuous town of Washington, D.C. where there are scoop-driven reporters, loose-lipped Congressional staffers, influence peddlers, and information buyers. Washington is also a place where it is sometimes -- maybe all the time -- impossible to separate fact from fiction, disinformation from real data, and direct quotes from editorial opinions. WHA-CKED is a fictional story -- inspired by a true story -- of conspiracy, murder, blackmail, and the abuse of power and money.
