Becoming Amish: A family's search for faith, community and purpose Jeff Smith

Bill and Tricia Moser were living in one of America's wealthiest communities when they stepped away and began a journey that led to a horse-and-buggy Amish life.

No more BMWs. No more architectural or medical careers. Instead, the Mosers drew close with their children, built pallets for money, wore homemade clothes, and bonded with people of their Amish faith and community. Here, in *Becoming Amish*, they offer a modern couple's honest perspective on that separate and seemingly cloistered world, a perspective that is uniquely insider and outsider at the same time.

The Mosers' journey is rich and fascinating all on its own as we learn about the inner workings of the Amish faith, ways and culture—what their church services are like, how their businesses succeed at such a high rate, how they are so remarkably connected on a human scale (without Facebook!), how they balance technology in their lives, and more.

But though the couple's decision can seem extreme, it can also serve as a mirror that helps us reflect upon our own choices, our own beliefs and values. If we were to be as intentional about our lives, how would we realign our choices big and small to achieve a fulfilling life?

Becoming Amish rounds out the Mosers' tale with interviews, vignettes, and information that adds context, perspective and insight into the Amish community. The reader learns of a startlingly violent book—published in 1660—that is central to this pacifist people's belief and is in nearly every Amish home. The reader visits a “plain” community in the hills of Kentucky—a community that lives even more simply than most Amish—to discuss “the whys” of a low-technology life and faith. The reader contemplates an interview with the Lutheran minister who helped lead the Supreme Court case back in 1972 that allowed the Amish to pull their children from public school after 8th grade—what compelled him to do that? becomingamish@gmail.com.

From reader reviews:

Armando Lemaire:

Precisely why? Because this Becoming Amish: A family's search for faith, community and purpose is an unordinary book that the inside of the reserve waiting for you to snap this but latter it will jolt you with the secret the item inside. Reading this book alongside it was fantastic author who have write the book in such awesome way makes the content inside easier to understand, entertaining method but still convey the meaning thoroughly. So , it is good for you for not hesitating having this ever again or you going to regret it. This excellent book will give you a lot of rewards than the other book include such as help improving your proficiency and your critical thinking approach. So , still want to delay having that book? If I have been you I will go to the reserve store hurriedly.

Mark Hoffman:

Playing with family in the park, coming to see the water world or hanging out with buddies is thing that usually you may have done when you have spare time, subsequently why you don't try matter that really opposite from that. 1 activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you already been ride on and with addition associated with. Even you love Becoming Amish: A family's search for faith, community and purpose, you may enjoy both. It is very good combination right, you still want to miss it? What kind of hangout type is it? Oh come on its mind hangout people. What? Still don't understand it, oh come on its known as reading friends.

Michael Earl:
