Eli Perry has a mission - turn his immense wealth into a successful political career and give some good back to his community. He has assembled a team around him including Cassandra Masters, his Campaign Secretary. Yet at a time when his life needs to be ordered and free of chaos, his newest intern is poised to turn everything upside down.

Wynn Jeffries is smart and talented, but is young and lacks the experience to truly be taken seriously. Working under Cassandra, Wynn is trying to learn as much as she can while playing by the rules. Then she meets Eli Perry in person, and her world changes.

Eli sees a spark in Wynn with the potential to be nurtured into something great. When Wynn makes a suggestion that could revolutionize the direction of his campaign, Eli takes her under his wing. Together, they work through long days and late nights to see whether one ambitious girl's idea can be made into a fantastic reality.

Attractive, smart and without the guile so often found in the world of politics, Wynn is everything that Eli wants in a woman and he is accustomed to getting what he wants.
