## **London Orbital: A Walk Around The M25** Iain Sinclair

London Orbital is Iain Sinclair's voyage of discovery into the unloved outskirts of the city. Encircling London like a noose, the M25 is a road to nowhere, but when Iain Sinclair sets out to walk this asphalt loop - keeping within the 'acoustic footprints' - he is determined to find out where the journey will lead him. Stumbling upon converted asylums, industrial and retail parks, ring-fenced government institutions and lost villages, Sinclair discovers a Britain of the fringes, a landscape consumed by developers. London Orbital charts this extraordinary trek and round trip of the soul, revealing the country as you've never seen it before. 'My book of the year. Sentence for sentence, there is no more interesting writer at work in English' John Lanchester, Daily Telegraph 'A magnum opus, my book of the year. I urge you to read it. In fact, if you're a Londoner and haven't read it by the end of next year, I suggest you leave' Will Self, Evening Standard 'A journey into the heart of darkness and a fascinating snapshot of who we are, lit by Sinclair's vivid prose. I'm sure it will be read fifty years from now' J. G. Ballard, Observer Iain Sinclair is the author of Downriver (winner of the James Tait Black Memorial Prize and the Encore Award); Landor's Tower; White Chappell, Scarlet Tracings; Lights Out for the Territory; Lud Heat; Rodinsky's Room (with Rachel Lichtenstein); Radon Daughters; London Orbital, Dining on Stones, Hackney, that Rose-Red Empire and Ghost Milk. He is also the editor of London: City of Disappearances.
