Lost in Paris Cindy Callaghan

Ooh la la! Gwen ends up on a Parisian scavenger hunt—with a cute French *ami*—in this M!X novel from the author of *Lost in London*.

Gwen Russell is thrilled to hear she will be heading to Paris with her family. Even though the main reason for the trip is to see her three older brothers play lacrosse, Gwen and her Mom have plans to tour the city when they can.

As soon as they land, Gwen is swept up in the city she has always wanted to see, and even meets a *très cute* boy named Henri. If that wasn't enough excitement, Gwen finds out that her all-time favorite band is playing a one-night only concert in Paris—and there are tickets available to the sold-out show for three lucky people. The catch? Fans who want a golden ticket have to work for it via a scavenger hunt around the City of Light.

Through cryptic clues blasted out every day through a special website, Gwen and her new friends find themselves in a race against time—and against other die-hard fans—as they scramble to landmarks throughout Paris. And it turns out the concert tickets might not even be the biggest prize...

From reader reviews:

Diane Worrell:

Nowadays reading books be a little more than want or need but also turn into a life style. This reading behavior give you lot of advantages. Advantages you got of course the knowledge even the information inside the book in which improve your knowledge and information. The data you get based on what kind of reserve you read, if you want send more knowledge just go with knowledge books but if you want feel happy read one with theme for entertaining including comic or novel. Often the Lost in Paris is kind of publication which is giving the reader capricious experience.

Randal Revilla:

Reading a publication tends to be new life style in this era globalization. With reading you can get a lot of information which will give you benefit in your life. Together with book everyone in this world can easily share their idea. Textbooks can also inspire a lot of people. A lot of author can inspire all their reader with their story or maybe their experience. Not only the storyplot that share in the guides. But also they write about the data about something that you need example of this. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book which exist now. The authors these days always try to improve their ability in writing, they also doing some investigation before they write to their book. One of them is this Lost in Paris.

Carlton Solley:

People live in this new moment of lifestyle always try to and must have the extra time or they will get lots of stress from both everyday life and work. So , whenever we ask do people have time, we will say absolutely yes. People is human not really a robot. Then we question again, what kind of activity are there when the spare time coming to a person of course your answer will probably unlimited right. Then do you try this one, reading books. It can be your alternative throughout spending your spare time, the actual book you have read is actually Lost in Paris.

Coleen Isabel:

Beside this particular Lost in Paris in your phone, it might give you a way to get nearer to the new knowledge or data. The information and the knowledge you are going to got here is fresh in the oven so don't always be worry if you feel like an aged people live in narrow commune. It is good thing to have Lost in Paris because this book offers for you readable information. Do you oftentimes have book but you rarely get what it's about. Oh come on, that will not end up to happen if you have this within your hand. The Enjoyable agreement here cannot be questionable, like treasuring beautiful island. So do you still want to miss the idea? Find this book along with read it from now!
