If you were a teenager in the 1950s and the early part of the 1960s, doo wop music conjures up memories of hanging out with friends at the candy store or malt shop, dancing at the hop, and first romances. This book will transport you back to those nostalgic times. The Complete Book of Doo Wop provides an extensive history of doo wop from the 1940s through the early 1970s, gives definitions and illustrations of the music that falls between rhythm and blues and Rock 'n' Roll, and covers the musical groups that created it, including Frankie Lymon and the Teenagers, the Platters, Little Anthony and the Imperials, Dion and the Belmonts, the Chiffons and the Shirelles. The book also features 150 photos, 64 sheet-music covers and an extensive songography. If you are a collector or enthusiast, vocal harmony fan, music historian or just a music buff, you will discover plenty of fun facts, stories and quizzes on doo wop songs and groups.
