Only Uni (Sushi Series Book 2) Camy Tang

Flirty biologist Trish Sakai has alienated her best friends and her family because of her wild behavior with her artist ex-boyfriend, Kazuo. Then she finds her father kissing another woman, and her mom suffers a heart attack. Convinced God is punishing her for her sexual promiscuity, Trish comes up with three rules from First and Second Corinthians: 1) Stop looking at guys, 2) Only date Christians, and 3) Persevere in hardship by relying on God. If she follows them, God will restore her life to the way it was before her mistakes. If she can somehow regain her chastity, she won't feel as dirty and unworthy as she does now. They're only three rules. How hard can it be?

Handsome Spenser finds himself attracted to his coworker Trish, but his dinner invitation gets slammed down with a lame excuse about Corinthians and rules. That cools his ardor pretty quick. But then Spenser discover that his old enemy Kazuo needs Trish as the "muse" for his unfinished masterpiece painting due in a few months for a gallery show. Kazuo pursues Trish with everything he's got, but Spenser decides to throw a wrench in Kazuo's plans by pretending to pursue Trish himself.

Trish is going nuts trying to stand firm against two hunky guys. Her three simple rules aren't so simple anymore . . .
