Para Bellum Taylor Bambico

During the Twenty-first Century, species unrecognized by most of mankind race against time to prevent the destruction of the United States while trying to prevent being slaughtered by other fantastic creatures that stalk Earth. Along the way, a young woman discovers that she is the successor of the Supreme Being whom brought these very creatures to life.

Cain West is deployed into enemy territory along with his unit of fellow Hunters after receiving plausible evidence that puts the entire presidential line of succession in danger. However, what they discover is far worse than a plot to cripple the nation.

Riley Kane, a young and semi-naive woman is thrust into another side of reality upon learning what she really is. With almost no time to adapt, Riley must face another fantastic creature that has gone rogue against all who inhabit Earth before its too late. With great powers come greater responsibilities and risks that she must deal with as they arise, regardless of the difficulty and what they bestow.
