#### **Gail Tate:**

As a scholar exactly feel bored to be able to reading. If their teacher requested them to go to the library or make summary for some guide, they are complained. Just very little students that has reading's spirit or real their passion. They just do what the educator want, like asked to go to the library. They go to generally there but nothing reading critically. Any students feel that examining is not important, boring and also can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's

country. So , this Sherlock: A Study in Pink (Scholastic Readers) by Shipton, Paul (2012) Paperback can make you feel more interested to read.
