## **Christologia** John Owen

Paphos Publishers offers a wide catalog of rare classic titles, published for a new generation.

The object of Dr Owen in this treatise is to illustrate the mystery of divine grace in the person of Christ. It bears the title, "Christologia;" but it differs considerably from modern works of the same title or character. It is not occupied with a formal induction from Scripture in proof of the supreme Godhead of the Saviour. Owen assumes the truth of this doctrine, and applies all his powers and resources to expound its relations in the Christian system, and its bearings on Christian duty and experience.
