## **Knit & Felt Cat Toy Party How Did You Make This?**

Knit a collection of fun cat toys from wool, then felt them in your washing machine to make them durable and long lasting. In addition to the patterns, all techniques beyond knitting, purling, casting on, and binding off, include photo tutorials to help you make sure you get everything just right. An easy set of projects for an intermediate or advanced knitter, and a good way to build skills for someone less advanced (and most kitties will overlook a few errors as long as it bounces across the floor!) These projects are a great way to use up left overs from other projects, as most of them take around 30 yards of a medium weight wool yarn. Fast and fun!
