Timelines mark the milestones of each officer's career. With speed, violence, and deadly power, heavily armored tanks spearheaded the German blitzkrieg that stormed across Europe in 1939. Tracks rattling and engines roaring, these lethal machines engaged in some of the fiercest fighting of World War II, from the beaches of Normandy and the Ardennes forest to the snow-encrusted eastern front. In this reprint of the hugely popular book, prolific author Franz Kurowski tells the action-packed stories of six of the most daring and successful officers ever to command Panzers.
