This is the third part of the hot 5-part “Shades of Werewolf” series.

Mary Locke never thought she would have to kill for love. She had never thought that her soulmate would be a Bear, an enemy to her family of Wolves.

When Andre, her soulmate, is threatened by her father, she makes the only choice available to her. Now, with her family hunting them, wanting revenge on Andre, she realizes that she must make another choice to keep her soulmate safe—one that might separate her and Andre forever.

Andre Mitchel never believed he would find love again after the deaths of his wife and daughter, Isadore and Eve. But then he met Mary, and his broken heart healed.

Now all he desires is to protect her, and so he keeps a dark secret that he knows she must know, but one that he never wants her to find out.

When it's too late to take back choices, will they have the strength to face the consequences?
