**Teaching and Learning in the Elementary School: Focus on Curriculum** Judy Reinhartz, Don M. Beech

This comprehensive, *realistic* view of teaching and curriculum development in the contemporary elementary school, uses an interactive, reflective, and research-based approach supported with numerous practical explanations, examples, and illustrations. Written in easy-to-understand language, it 1) covers the historical, philosophical, social, and psychological background of teaching and curriculum development, 2) outlines the steps and strategies for planning, implementing, and assessing the curriculum and for teaching throughout construction of traditional or thematic teaching units, and 3) offers an overview of the various subject areas taught in the elementary school (concepts, goals, resources, and tools). Practicing elementary school teachers.
