A battle is brewing in the Underworld and at the centre of it all is Damali Richards. Damali is a vampire huntress, but not just any huntress - she is the Millennium: a vampire huntress so powerful the vampire world is prepared to go to war over who should possess her. Fallon Nuit, a rogue vampire, in league with demons, is determined to claim her but then an ex-lover turned vampire enters the fray. But Damali is not about to let anyone, or anything, fight over her without having her own say.
