What if you could speak with your loved ones even after death?

Acclaimed author Patricia Fero has done just that—and continues doing so even now. Three days after her sister Nene died, Fero heard her voice. “I’m just on the other side of the door,” Nene assured her.

Part self-help book and part memoir, *The Other Side of the Door* concentrates on Fero’s spiritual journey over the past twelve years. Now a psychotherapist, author, and speaker, Fero wants to open your mind to the possibilities of after-death communication. She believes that you can use the spirits on the other side to benefit not only yourself but also the entire human race.

But it is not just Fero’s story. Her sister Nene, Fero’s original conduit to the world beyond, has her own tale to tell. Through Fero, Nene speaks directly to you and shows you what lies ahead after death.

Let this book act as your guide to the other side of the door.
