Wolters Kluwer and the ACSM are excited to introduce *ACSM's Research Methods*, a vital first edition. This applied approach provides students with a sophisticated look at research methods aimed at building engagement with the text. Written by leading experts in the field, this title offers a fresh approach that better integrates traditional methods with some of the newer approaches to research, such as qualitative and mixed methods, and uses published journal articles, Excel activities, and real-life examples to make the material interesting and relevant.
