ONE - The Unified Gospel of Jesus - Divine Version Gregg R. Zegarelli

ONE - Divine Version. Now available for Kindle! ONE is the unified gospel of Jesus. The text of the four Gospels of Matthew, Mark, Luke and John have been authoritatively combined into one seamless text. The author used recently available computer technologies to authoritatively document the unification process. ONE is easy to read, as well as an authoritative reference.

ONE is different from other works. ONE is different than "parallels of the Gospels" because it is one integrated text and timeline, it is also a rare find in that it parallels and integrates the Synoptic Gospels with the non-synoptic Gospel of John. ONE is different than "harmonies of the Gospels" because it is an authoritative integration. ONE is a parallel of the Gospels within a harmony of the Gospels. The ONE "Unification Index" provides a post-unification numbering system with 3,000 entries that allows the reader to source text in ONE back to the Gospels. An insightful Table of Contents provides an easy guide for deeper reading. See Amazon.com "Search Inside."

Events in ONE have greater impact and clarity. For example, the circumstances of Jesus' crucifixion are only partially told in each of the four Gospels: Only the Gospel of Mark has the time of crucifixion, only John has Pilate's comment regarding the cross inscription, and only Luke has the "Father forgive them..." quotation. When unified, Jesus' teachings and the events of his life are presented with greater clarity and impact, yet authoritatively. The text in ONE is so seamless that the reader may not realize that he or she is reading the verbatim unified text of the four Gospels at one time.

ONE also provides an excellent resource for casual readers, students, preachers and scholars. It is an excellent addition to any library.

Also in Large Print, eBook and Audio Book.
