Pollyanna

Eleanor H. Porter

Pollyanna Eleanor H. Porter

The timeless children's story about a young orphan whose sunny outlook and effervescent spirit transform a Vermont town

Alone in her big house in Beldingsville, Vermont, Miss Polly welcomes neither friends nor companions of any sort. And so when a letter arrives notifying her that her orphaned niece Pollyanna has been sent east to live with her, the cantankerous Miss Polly braces for her cherished calm to be shattered. Pollyanna seems to have little to be grateful for, especially when her aunt sends her to live in the stuffy attic of her stuffy manor. But rather than sulk over her humble accommodations, Pollyanna rejoices in the marvelous view that her attic window affords. She calls her positive attitude the "glad game," a trick her father taught her to make the best of any situation. As she introduces the glad game to the downtrodden residents of Beldingsville, Pollyanna begins to rejuvenate the small New England town, proving that optimism and a good-hearted disposition can bring joy to anyone—maybe even stubborn, ornery Miss Polly . . .

From reader reviews:

Royce Axtell:

This Pollyanna usually are reliable for you who want to be a successful person, why. The reason of this Pollyanna can be one of many great books you must have will be giving you more than just simple reading food but feed a person with information that might be will shock your preceding knowledge. This book will be handy, you can bring it everywhere you go and whenever your conditions throughout the e-book and printed people. Beside that this Pollyanna giving you an enormous of experience including rich vocabulary, giving you trial of critical thinking that we all know it useful in your day pastime. So , let's have it and revel in reading.

Kenneth Clark:

Playing with family in a very park, coming to see the sea world or hanging out with buddies is thing that usually you will have done when you have spare time, then why you don't try point that really opposite from that. Just one activity that make you not experience tired but still relaxing, trilling like on roller coaster you have been ride on and with addition info. Even you love Pollyanna, it is possible to enjoy both. It is very good combination right, you still wish to miss it? What kind of hangout type is it? Oh seriously its mind hangout people. What? Still don't have it, oh come on its called reading friends.

Catherine Mejia:

It is possible to spend your free time to learn this book this publication. This Pollyanna is simple to bring you can read it in the playground, in the beach, train in addition to soon. If you did not have much space to bring the actual printed book, you can buy typically the e-book. It is make you simpler to read it. You can save the particular book in your smart phone. Therefore there are a lot of benefits that you will get when one buys this book.

Virginia Hughes:

Do you like reading a reserve? Confuse to looking for your chosen book? Or your book seemed to be rare? Why so many problem for the book? But just about any people feel that they enjoy for reading. Some people likes reading, not only science book and also novel and Pollyanna or maybe others sources were given information for you. After you know how the good a book, you feel would like to read more and more. Science guide was created for teacher as well as students especially. Those books are helping them to include their knowledge. In some other case, beside science book, any other book likes Pollyanna to make your spare time considerably more colorful. Many types of book like here.
